PAYMENT

A 50% non-refundable deposit is required to complete the registration. You will receive an email with payment instructions after submitting the registration form. The remaining 50% is due prior to the start of the lesson. Rates are as published at JEFFROLLZ.com unless other agreements have been made.

RESCHEDULING / CANCELLATION / REFUNDS

Rescheduling of lessons can be accommodated in most cases, but please provide at least 24 hours advance notice for schedule changes or cancellations. Deposits are not refundable unless the instructor must cancel, but can be used towards future lessons if cancellation is unavoidable. If instructor must cancel, unused payment will be refunded including deposit.

LEGAL / INSURANCE

Separate signed Covid/Illness waiver and Liability Release are required prior to start of the lesson. You must provide your own skates and personal protective safety equipment. For liability insurance coverage, you must wear a helmet and wrist guards. Knee and elbow pads are recommended but not required. **Failure to comply with the minimum stated safety equipment requirements automatically waives your liability insurance coverage.**

COVID POLICIES

Please reschedule your lesson if you are feeling ill or exhibiting symptoms of COVID or any other illness. Any applicable local jurisdiction rules regarding COVID will be followed, including any masking requirements. In the absence of any jurisdictional mask requirements, it is at your discretion whether or not to wear a mask. Instructor is fully vaccinated (May 2021), but does not require you to be.
